

breezesta™

For Every Season of Your Life

2021 Furniture Collection

durable

Breezesta poly has the look and feel of authentic wood, but unlike wood, is guaranteed for a lifetime not to crack, splinter, chip, peel, or rot.

eco-friendly

Our purpose is to repurpose. Breezesta furniture is made with recycled plastic and is recyclable itself.

sun guard technology

Backed by a 3-year fade warranty, our poly lumber maintains its rich color with an infusion of specially formulated color pigments and ultraviolet stabilizers and inhibitors.

weather resistant

Sun, wind, rain, salt spray—Breezesta withstands the seasons and their elements.

low maintenance

No painting, staining, or sealing of the poly is needed. Occasional inspection and cleaning is recommended to keep your furniture looking like new.

Why Breezesta?

First job. First home. First baby. First promotion or first day of retirement. Life is full of firsts. Some inspire us to celebrate, and some require us to escape. We love to be outside because there's something about a light breeze on our skin and the warm sun on our face that nurtures our need to connect, to the natural world around us, to our families and friends.

Breezesta connects you and your family to the outdoors with beautiful, durable furnishings. From traditional to contemporary, neutral to bold, our furniture styles and colors make it easy to create a comfortable outdoor oasis that reflects your personality and style. And as your life evolves—with kids, weddings, second homes—it's easy to add new pieces to enhance your enjoyment and meet the needs of your lifestyle.

And not only does Breezesta look good, it's good for the environment too. All of our furniture is sustainable, built with poly lumber created from millions of milk jugs that would have otherwise gone to a landfill. Made in America and crafted with attention to detail, it's easy to maintain, and designed to be with you for every season of your life.

Our Materials

Premium HDPE

Feel the comfort and stability that comes from quality materials and close attention to detail. Breezesta furniture is made from a proprietary blend of very safe and durable high density polyethylene (HDPE) lumber with recycled content that is heavier than most competitors' HDPE versions. Breezesta also uses thicker lumber profiles to create strong and generously proportioned furniture made for all people.

Best in Joinery

Sur-Lok joint mortise-and-tenon construction, typically seen in fine woodworking, is used in all our furniture pieces to ensure a refined design, additional sturdiness, and less fasteners. In fact, our color-matched, powder coated, rust-resistant and stainless steel fasteners are so subtle or entirely hidden that all you focus on is the rich color and stylish design of the furniture. All fasteners come with a **2-year corrosion warranty**. No one else offers that!

Fade-free Color

Breezesta's color visual and quality is second to none on the outside and inside. Highly saturated color is infused throughout the lumber so there's no worrying about white marks from scratches or nicks! Sunguard technology, our proprietary formulation of ultraviolet inhibitors and stabilizers that is mixed in with color pigment, protects the furniture from fading. We are the only manufacturer to **guarantee fading for 3 years!** And because Breezesta makes its own poly lumber, the result is a unique surface graining with beautiful wood realism that also helps to conceal minor scratches.

Lifetime Quality Promise

Although Breezesta looks like hardwood, it doesn't have any of the drawbacks: it is easier to maintain and is **warranted against cracking, splintering, chipping, peeling, and rotting**. Similarly, it has excellent advantages over natural or resin wicker and aluminum outdoor furniture. Perhaps, best of all, you have the peace of mind that it won't blow away or get damaged.

We're very proud of our quality materials and craftsmanship, and we stand behind them! All Breezesta furniture comes with a **limited lifetime warranty**, so you'll be able to relax in style for years to come. For full warranty details visit breezesta.com.

Captivating Color

Nothing captures your personal style like the perfect color. That's why Breezesta offers the largest, exclusive color selection of recycled poly in the industry. Choose from 20 unique earthy, tropical, and primary colors - and everyone of them “green.”

We are pleased to offer two new irresistible colors, Seaglass and Lagoon. Seaglass is soothing, tranquil, and sophisticated, reminiscent of a relaxing spa environment, while Lagoon is mysterious and vibrant, calling to mind a private beach paradise with hypnotic turquoise waters. Both colors are sure to be new favorites!

Breezesta also offers the most extensive mix-and-match color combinations of any outdoor poly furniture manufacturer. Seeking color pairing inspiration? Review our top-selling color combinations below to find one that fits with your vision of your outdoor space.

A Sustainable Choice

Purchasing Breezesta furniture is a choice you can feel great about!

Our purpose is to repurpose. Each year, we remove tons of petroleum-based, post-consumer milk jugs and detergent bottles from America's waste stream and waterways to convert them into premium poly lumber at our own recycling plant, Trigon Plastics. Curious to know up to how many milk jugs go into making each piece of furniture? Look for the milk jug icon and number next to each product in this catalog.

Also, Breezesta is what environmentalists call a “full circle” product. It's not just made with post consumer recycled plastic, it includes post industrial recycled plastic and it's recyclable itself!

Breezesta will last season after season, but if you are ready to recycle it, simply remove the hardware before disposal. We consciously make these sustainable choices so you can have peace of mind about the impact of your purchase.

and see how we transform used plastic
bottles into our colorful furniture.

New for 2020 elementz fire & ice

Introducing our new Fire & Ice table, perfect for intimate dining and entertaining in all four seasons. Gaze at the fire on a chilly night, or replace the burner with an ice bowl for chatting with friends around the beverage table all summer long. It's the perfect conversation height for use with any classic Adirondack, the Coastal Upright Adirondack, our new Chill Chat chair, or one of our deep seating club chairs.

Elementz Fire & Ice Table includes a 70,000 BTU burner unit, control panel, tempered glass guard, clear, fire-glass beads (10 lbs), a premium polyester table cover, and even a natural gas converter. The burner can be quickly and easily replaced with a stainless steel beverage cooler, sold separately.

palm beach collection

Our new Palm Beach Collection offers outdoor entertaining in style. Fashioned with clean, geometric lines and generous proportions, this modular deep seating collection is truly luxurious and trendy. Relax by fully reclining, sitting cross-legged, or sinking into the soft pillow back cushions with sling, suspension seating for extra comfort. Add an ottoman to prop your feet up—or simply remove the cushion to create an end table. Although each Palm Beach sectional piece is very sturdy, optional connectors are included.

Versatile and flexible, the seating and color combinations are endless to suit your style and whim. Whether in the tropics or not, with the Palm Beach Collection, you'll feel like you're always on vacation.

piedmont

piedmont collection

Our Piedmont Collection is comprehensive and versatile, offering many furniture solutions for dining, entertaining, and lounging. Best of all, sleek and contemporary doesn't have to mean uncomfortable. The wider seat and angled back of these chairs ensures maximum comfort, whether chatting with friends or cuddling up with a good book.

Strong, dramatic curves and striking stripes created by the slats, give this collection its distinct look. Designed with both traditional and modern furniture features, it can only be interpreted as timeless. Style it according to your tastes and the Piedmont Collection is right at home in a wide array of environments.

tête-à-tête

tête-à-tête

French for face-to-face, cozy conversation is a given with our Tête-à-Tête table. This piece attaches easily to any of our chair arms to form a complete seating arrangement. Match the tabletop to your chair color, or select a complementary color, then add an umbrella and base (not included) to create an instant intimate space for two.

Share a snack, share a secret, share a moment. With the Tête-à-Tête, you'll find a reason to celebrate every day!

maintenance

Breezesta poly lumber is durable and virtually maintenance-free. It will never need to be painted or sealed because it will never stain or rot. It cleans up easily with a water hose or with a soft-bristled brush and a mild cleanser. High-pressure washers (with no more than 1,500 psi) can also be used when necessary. Even in harsh outdoor conditions—such as seaside homes where furnishings are exposed to wind, salt, and sand—our furniture needs very little care to maintain its beauty. Just another way Breezesta is made for relaxing.

To learn how to protect your investment, to properly care for the furniture and hardware, and when to use our specially formulated spray bottle products, please access the Care & Maintenance Guide on Breezesta.com.

durable

Breezesta poly has the look and feel of authentic wood, but unlike wood, is guaranteed for a lifetime not to crack, splinter, chip, peel, or rot.

eco-friendly

Our purpose is to repurpose. Breezesta furniture is made with recycled plastic and is recyclable itself. This keeps plastic out of landfills and oceans.

sun guard technology

Backed by a 3-year fade warranty, our poly lumber maintains its rich color with an infusion of specially formulated color pigments and ultraviolet stabilizers and inhibitors.

weather resistant

Sun, wind, rain, salt spray—Breezesta withstands the seasons and their elements.

low maintenance

No painting, staining, or sealing of the poly is needed. Occasional inspection and cleaning is recommended to keep your furniture looking like new.
